

TRACK MOUNT TRAYS

734 • 735 • 736

The **Ultimate**
Drawer
Solution

Our Track Mount Trays set the new standard for media storage with unparalleled appearance and ease of use.

TRACK MOUNT TRAYS

734 • 735 • 736

PATENTED INNOVATION

Robust, two-tone back support is made from super tough Acetal resin. Just lift up and slide to adjust.

Flipworks® branding. Get credit for including the very best.

Crowned surfaces make it easy to "Flip" through any collection to see the covers.

Solid, 1/4" satin nickel rods ensure smooth sliding back support.

Clever release button allows for easy adjustment or removal.

Slide trays together to store CD's...Move apart to accept wider media.

To install Flipworks® J-Track, simply remove the backer and place the track in the bottom corner behind your drawer fronts.

Shown in standard "Bronze with Black".

US Patent Number 6,332,546
Canadian Patent Number 2,331,971

The Ultimate Drawer Solution

- Provides "Flip" access to all popular forms of media, both vertically and horizontally.
- High quality design and function enhances even the highest quality furniture.
- Simple J-Track mounting makes it easy to organize or re-organize a collection.
- Inexpensive J-Tracks can be installed in every drawer for complete flexibility.

Trays easily adjust to any width media

User-friendly release button
